## MAY 2023 President's Notes

It gives me great pleasure to report that after a year of incredible giving, work, and support from all of you, the guild is in good financial shape once again! You gave almost \$1500 in voluntary donations, donated generous Unbirthday Gifts, bought tickets for Ways & Means drawings, bought used library books, attended workshops, and bought exchange blocks, and I'd like to thank each and every one of you for that. We also had a hugely successful quilt show, and the profit from that will allow us to insure that the quilt show reserve account is once again fully funded and will support guild activities as well. And in addition to all of that, due to Bonnie Johnson's generous donation of the funds necessary to print the cookbooks, our guild earns the full sales amount from each book sold.

While we do need to keep adequate funds in reserve for unexpected emergencies, I'd remind everyone that we are a non-profit. As such, our goal isn't to build up a large bank account, it's to use our discretionary funds to promote the art of quilting and educate our members. I'm sure the future board will work hard to continue to bring in exciting programs and workshops for everyone's benefit and enjoyment.

Retreat is coming up, and I know a lot of you look forward to this every year. Susan Garrett always has a great time planned for everyone, and everyone attending has lots of

fun and gets to know other guild members better. And sometimes they even get some work done! It's a great opportunity for some "me" time with friends and to start or finish up those projects you've wanted to get done but haven't had time. Sign up forms are in the newsletter: contact Susan Garrett if you have questions.

Remember that the August meeting is our annual guild membership luncheon, where we honor our charter and honorary members. Honorary members are those members who have reached the age of 80 or above, and while dues waived for honorary members, many of them support the guild by paying dues anyway. If you turned 80 during the past year, please make sure to let Susan Mogan or Susie Olsen know so we can include you.

Happy quilting! Susan

**Honorary Members are 80 years old and up.**

**Let Susan Mogan know if you qualify.**

**Workshops** - this person schedules and facilitates all workshops. There are plenty of resources available to help find teachers. If you'd like more info on what this job entails, please contact Nina Clotfelter. We won't have any more workshops after Sept unless someone takes over this position!

**Website** - this person is responsible for making sure the info on our website is kept complete and up to date. You don't have to do the updating yourself, just get the information together and then someone else does the actual work of updating the site.

**Hospitality** - This person is responsible for coordinating the 2 luncheons we do each year in Aug and Dec, and would assume responsibility after the August luncheon this year. Please let Susan Mogan know if you are willing to fill any of these positions. Thank you!

**ACQG RETREAT: August 24-27, 2023**

## Meeting Minutes: 6/13/2023

**Welcome and Opening Remarks.** Susan Mogan, President, Azalea City Quilter's Guild welcomed all members and visitors to the June meeting. A prayer request were asked for Mary Reese and her daughter Claire; Bennie Johnson, she will be having surgery this week and for Reba Perkins. Reba will be having knee surgery.

**Inspiration.** Ashley Fleming spoke about how her father painted his home recently. He wanted to keep the same color green, a very light green, with dark green shutters. He like that color and decided to paint it the same. He went into his garage and found a can of paint from the last time the house was painted and took it to the paint store. He asked them to make several five gallon containers of that color green. He gave the paint to the people painting his house and left. When he returned he discovered that the paint he bought was for the shutters and not the main house. That color was a very dark green, almost black. Now his entire house was painted a dark green. He told Ashley about what happened and he decided he liked that dark green better than the light green, so he decided to keep it the dark green. Ashley went on to explain that sometimes, mistakes we make in our lives are sometimes for the better. Just like we all do with the quilts we make. She thanked God for the mistakes we make in life for the better and said a prayer.

**Treasurer Report.** Susie Olsen read the Treasurer's Report for June concerning the May finances. She stated that the Money Market account's interest for last month was \$38.00.
