MAY 2023 President's Notes

Well, the quilt show is over and it was so amazing! If you follow the ACQG Facebook page you saw the various posts and pictures, and the feedback and comments from visitors was amazing. I can't thank everyone enough for all that you did to help make it such a resounding success. And a huge thank you to Peggy Stone for heading up this whole enterprise!!

We'll be starting membership renewals in August, so I just wanted to remind everyone that dues are increasing to \$30 for the coming year. Most of you paid that higher amount last year voluntarily, and that's part of the reason we're in better financial shape now than we were (thank you again for that). We'll be discussing the new budget in June or July, and I hope to have it ready for guild approval before the new board takes over. I'm just waiting on the quilt show final numbers to see if we're going to be able

to count on some income from the show.

Don't forget that our August luncheon is our annual Charter and Honorary member recognitions, so if you turned 80 during the previous year please email me to let me know so I can make sure we have you on the list.

I'm thrilled to say we have all officer positions are filled for the coming year, and the slate of new officers will be presented at the June meeting. We will also accept nominations from the floor at that time. We do have a few committee chairperson positions that need filled – details are in the newsletter.

And don't forget that Retreat is coming up. It's a great time, the sign-up form is in the newsletter.

Again, great job everyone and thank you for all you did for the quilt show!!

Happy quilting, Susan

Thanks to the Quilt Show Committee for putting on a wonderful show.

We had 14 members who joined at the Quilt Show and several who took the application and said they would send in the money and information.

Wow! Wasn't our 2023 quilt show Great!

Thanks to all of you dedicated guild members who spent hours of hard work preparing the venue for our show. Record time was established in setting up and breaking down the venue.

Thank you to the hospitality committee and all the booth committees.

The final figures will be in the next newsletter when all funds are remitted and all bills are paid. Even after the show, there is still work to be completed before there is an accurate figure.

Thank You! Peggy Stone

Quilt Show Boutique

WOW!! Thanks to everyone who contributed in any way to the success of the Boutique. We are blown away by the quantity and the quality of the items contributed. Those who came to help set up the booth, that we finished in one day, and worked in the booth during the quilt show and everyone who supported us by buying items. We more than doubled the amount we made at the last show. (over \$3700)!!!

THANK YOU, THANK YOU, THANK YOU

Sandy Purvis 251-422-0968 and Susie Olsen 251-510-1361

VOLUNTEERS NEEDED! We need volunteers to fill the committee chairperson spots for Workshops, Sunshine, and Web Site. Please consider accepting one of these positions. It would not only help out the guild but you'll meet lots of people and know that you're helping make the guild better for everyone.

- The workshops chair plans, schedules, and facilitates all guild workshops. This person is responsible for choosing workshops, finding workshop teachers, presenting workshops to the guild, handling sign-ups and payments, arranging for the workshop room to get set up for the class (the "men squad" do the actual set up), and turning in money to the treasurer. There are a number of places to find workshop teachers - within the guild, from other guilds, using a GSQA circuit teacher, or just scouting out someone yourself. We already have a national teacher coming in in Jan 2024 as the GSQA Traveling Teacher, so that will be the Jan workshop, and I have a list of about 12 ideas I've already brainstormed for possible workshops that I'll give the new chairperson. This position is so important to keeping the energy and enthusiasm up within the guild, so please consider being willing to take it on at least for 1 year. (Remember also that this can be a team effort between 2 people).
- Sunshine - see separate box in newsletter. We need someone for this position who can start immediately.
- * The Website chairperson is responsible for keeping our website interesting, up to date, and accurate. You don't need to actually know how to set up or update a website, as we generally just get the information together and then Bonnie Johnson's son does the actual updating, so don't let the tech aspect scare you off. This job is also important, because most potential new members will check out our website to see what all we have going on when they are considering whether to join or not, so this needs to be informative, fun, and reflect the lively and fun group we are.

Needed immediately - someone to fill the Sunshine committee chairperson position! - The Sunshine chairperson is responsible for sending out the monthly e-birthday cards to guild members, and sending physical cards for sympathy, get well, or even just "thinking of you" when a guild member is going through a tough time. This job will be open effective the June meeting, so until we get a replacement guild birthday cards may not get sent.

Please consider filling the Sunshine job!

Please join me in offering our sincerest condolences and deepest sympathy to ACQG member Karen Zettler on the passing of her daughter, Jennifer Williams. Please keep Karen and her family in your prayers during this very difficult time.
